- 10 x GN 2/1 capacity, ideal for restaurants and food service applications
- Produce consistent high quality results with crisp crusts, attractive diamond grill patterns, or crispy breaded products
- Easy to use controls, with recognisable symbols and dial with a push function
- Digital display of cooking chamber humidity, time, and adjustable temperature
- Store up to 100 cooking programmes with as many as 12 steps
- Steam mode with steam regulation in 10% stages, together with consistent cooking cabinet temperature and optimal steam saturation, provides a uniform cooking process
- Advantages of steam combined with benefits of convection heat: short cooking time, reduction in shrinkage and intensive aromas with appetising colours. No cooking loss, no drying, high quality
- 4 automatic cleaning programmes, and integrated hand shower
